

ASSEMBLY INSTRUCTIONS

1. Loosen Set Screw. Slide Swivel Tube up cord and screw into Swivel on back of Picture Light.
2. Slide Bent Arm up cord onto Swivel Tube. Tighten Set Screw.

MOUNTING INSTRUCTIONS

To Wood Frame (A)

1. Center flat side of "T" bracket on the back of the frame.
2. Align the "T" bracket with the top of the frame.
3. Insert two screws into the larger holes and screw into frame.
4. Slide bent arm of picture light into "T" bracket and adjust height after picture is installed on the wall.

To Metal Frame (B)

1. Fold back tabs 90° using pliers.
2. Partially thread two screws in the smaller holes.
3. Insert "T" bracket in middle of metal frame, left side first.
4. Tighten screws to lock in place.
5. Slide arm of picture light into "T" bracket and adjust height after picture is installed on the wall.

IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other). As a safety feature, this plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to defeat this feature.
